## ACTIVITY SEVEN: MAKE YOUR OWN SUITCASE

**Introduction:** In Howard's Holiday, Howard and Emily are packing a suitcase for their holiday. Learn how to make a suitcase just like Howard's and decorate it with pictures of your favourite adventures.

**What you will need:** An old shoe box or cereal box, paints, a pencil, scissors, felt pens or crayons, sticky tape or glue, some ribbon or twine and some old magazines or photographs

### Instructions:

- If you are using a shoe box, you will need to turn it inside out or cover it with paper.
- Mark out your design in pencil.
- Paint your box. You can paint any design you like (we chose to copy the design from Howard's Holiday).
- Leave it to dry.
- Using a pencil, make 2 holes and thread through some ribbon or twine to make a handle.
- Add the finishing details with felt pen or crayons.

# Howard and Emily

## Instructions: (cont)

- If you are using a cereal box, carefully take apart the side and bottom to lay it flat.
- Paint it your favourite colour and leave to dry.
- Mark out your design in pencil.
- Add the finishing details with felt pen or crayons.
- Using a pencil make 2 holes and thread through some ribbon or twine for a handle.
- Stick the ends back together with glue or sticky tape.

## Instructions: (cont)

- Now make some badges to decorate your suitcase. Think of all the places you have been or would like to go.
- Cut out pictures from old magazines or photographs, or even draw your own.
- Now you have somewhere to keep souvenirs from all your adventures. But will they all fit?

We would love to see the work you do, share at
