

Howard and Emily

ACTIVITY THREE: MAKING PUPPETS

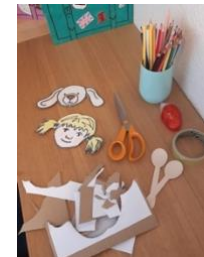

What you will need: crayons or pens, scissors, craft supplies (optional), cardboard (optional), glue, lolly stick, sticky tape

Task: Make some Howard and Emily face puppets.

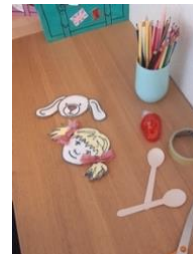

- Print out your Howard and Emily templates or draw your own.
- Colour in your design.

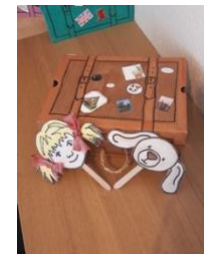

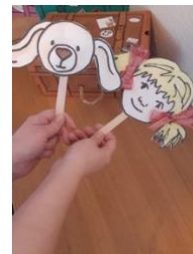

- If you have some cardboard, glue the faces to the card.
- Carefully cut out the faces, you may need to get an adult to help you.

- If you have any craft supplies, you can decorate your face puppets with extra details (we added some bows to Emily's hair)
- Attach your lolly sticks to the back of the faces using sticky tape.

- Now your two face puppets are ready.
- Why not make up a story and act it out using your Howard and Emily face puppets?
